metaphysics a very short introduction very short introductions

A Very Short Introduction looks at the basic and most important questions of metaphysical thought in order to understand the theory: What are objects? Do colours and shapes have some form of existence? What is it for one thing to cause another rather than just being associated with it? What is possible? Does time pass? By using these questions to initiate thought about the basic ... Sat, 09 Feb 2019 00:18:00 GMT Metaphysics: A Very Short Introduction - Very Short ... - Metaphysics is one of the traditional four main branches of philosophy, alongside ethics, logic and epistemology.
