GMT native americans a portrait the pdf - The population figure of indigenous peoples of the Americas before the 1492 voyage of Christopher Columbus has proven difficult to establish. Scholars rely on archaeological data and written records from European settlers. Most scholars writing at the end of the 19th century estimated that the pre-Columbian population was as low as 10 million; by the end of the 20th century most scholars ... Population history of indigenous peoples of the Americas ... - The indigenous peoples of South America are the Pre-Columbian peoples of South America and their descendants. These peoples contrast with South Americans of European ancestry, and their millions of enslaved from Africa. In Spanish, indigenous people are often referred to as indĀ-genas or pueblos indĀ-genas (lit. indigenous peoples). They may also be called pueblos nativos or nativos (lit ...
