including water resources. Fri, 15 Feb 2019 05:40:00 GMT Private Power and Infrastructure Board - PPIB - The nationalization of oil supplies refers to the process of confiscation of oil production operations and private property, generally in the purpose of obtaining more revenue from oil for oil-producing countries' governments. This process, which should not be confused with restrictions on crude oil exports, represents a significant turning point in the development of oil policy. Wed, 13 Feb 2019 00:28:00 GMT Nationalization of oil supplies - Wikipedia - Reader Parin emailed me asking about companies that operate in the green energy space after reading my post about the green energy space in India, so I set out to prepare this list of green energy companies in India.. There are a handful of green energy companies in India, and I could only find 5 that were listed. Mon, 27 Aug 2012 16:07:00 GMT Green energy companies in India - OneMint - 5 Moving beyond pure conservation to sustainable use of natural resources is essential to ensure the long-term survival of our planet and its people. Fri, 15 Feb 2019 02:41:00 GMT FAO and the 17 Sustainable Development Goals - Any solid group should have two things: big deals and lots of them. A colleague of mine

natural gas private sector participation and market development

once put it more colorfully:
“It’s not a big deal. I just close them.” Most bankers would agree that they got into the field to affect great change in a sector through strategic decisions (e.g. mergers and acquisitions) “or at least, that’s what they told the interviewers.”
