

## who can that be deep in the sea

Mon, 11 Feb 2019 17:12:00

GMT who can that be deep pdf - Deep learning (also known as deep structured learning or hierarchical learning) is part of a broader family of machine learning methods based on learning data representations, as opposed to task-specific algorithms. Learning can be supervised, semi-supervised or unsupervised.. Deep learning architectures such as deep neural networks, deep belief networks and recurrent neural networks have been ...
